This warranty sets out your options in the unlikely event of a defect in your Kenro product (**Product**).

Kenro warrants to the original purchaser of the Product that the Product will be as described, fit for purpose and of satisfactory quality. During the expected life of your Product you are entitled to the following:

- up to 30 days from the date of purchase: if your Product is faulty, then you can get a refund;
- up to six months from the date of purchase: request that the Product is repaired or replaced. If your faulty Product cannot be repaired or replaced, then you are entitled to a full refund, in most cases;
- up to six years from the date of purchase: if the Product can be expected to last up to six years, you may be entitled to a repair or replacement, or if that does not work, some of your money back (we may make a reasonable deduction from any refund to take account of any use you have made of the Product).

Please note that in order to benefit from the above warranty, you must provide suitable proof of purchase of the Product.

Please note the above warranty does not cover glass breakage (except where this is a result of Kenro's negligence), damage through misuse, or any modifications to the Product that have been made or attempted by anyone other than Kenro.

Please note that you will be responsible for all postage, shipping or other transport costs incurred in returning a Product to us and any return of the Product to you. Kenro will not be liable for any damage to the Product caused in shipping for refund, repair or replacement, so we recommend you take out suitable insurance.
